Mary Kay said, "You must embrace your dream with all your might and work at it every single day with love-filled intensity." I know you are taking those words to heart and continuing to make things happen.

Keep tracking your numbers and setting goals. If you do, you're sure to achieve Star Consultant status every quarter. Track 25, 50, 75 and 100 items sold every month. Push for those Grand Days every day! Reach for the moon and even if you miss, you will always land among the stars.

Congratulations again!
